CENA Julie Hamáčkové

Call to nominate female candidates for the Julia Hamackova Award in category a) for 2026

Public recognition of outstanding contribution of woman, an employee of UCT Prague, in the field of scientific research and innovation or pedagogical or in other activities significant for the development of the university

Article 1
Criteria

Julia Hamackova Award for outstanding contribution as set out in Article 1, paragraph 2, letter a) of the Julia Hamackova Award Statute (hereinafter referred to as the Award) will be granted in 2026 to a woman, employed at UCT Prague, for her outstanding pedagogical or scientific research activities or for her significant contribution to the development of the university. The Award is for those who are less recognized but play an important part in the operation of a workplace, department, or university. To those who play an important social role, who participate in shaping a positive perception and the running of the workplace with an emphasis on pedagogy and activities that do not so much advance a person in their own career path, but maintain and advance the running of the working collective, department, faculty, university.

Article 2
