

The Award is supported in the frame of the Strategic Plan of UCT Prague for the year 2023

Announcement of the call for the nomination of female candidates for the Julia Hamackova Award in category a) for 2023

**Public recognition of outstanding contribution of woman, an employee of
UCT Prague, in the field of scientific research and innovation or pedagogical
or in other activities significant for the development of the university**

Article 1 Criteria

Julia Hamackova Award for outstanding contribution as set out in Article 1, paragraph 2, letter a) of the Julia Hamackova Award Statute (hereinafter referred to as the Award) will be granted in 2023 to a woman, employed at UCT Prague, for her outstanding pedagogical or scientific research activities or for her significant contribution to the development of the university. The Award is for those who are less recognized but play an important part in the operation of a workplace, department, or university. To those who play an important social role, who participate in shaping a positive perception and the running of the workplace with an emphasis on pedagogy and activities that do not so much advance a person in their own career path, but maintain and advance the running of the working collective, department, faculty, university.

Article 2 Terms, conditions and deadline for nomination

- a) Organization of the Award, funded from the Measure O_44 of the Strategic Plan for the year 2023, is provided by the Rector's Office, by ThDr. Klára Muzikářová, Ph.D. in cooperation with the founder of the Award at UCT Prague Ing.
